1 Teaching Experience

Year	Term	Type	Class
2017	Summer	Lecture	Differential Equations (14 students)
	Spring	Grading	Differential Equations 1 (25 students, x2)
		Grading	Differential Equations 2 (25 students)
		Grading	Complex Variables and Applications (25 students)
2016	Fall	Recitation	Comput. Neurosci. (21 students)
		Recitation	Business Calculus (20–24 students each, x3)
		Recitation	Differential Equations (23 students)
	Spring	Grading	Calculus 3 (28 students)
2015	Fall	Grading	Ordinary Differential Equations 1 (25 students, x2)
		Recitation	Calculus 1 (25 students)
		Recitation	Calculus 2 (25 students)
	Summer	Grading	Ordinary Differential Equations 1 (25 students)
		Lecture	Matrices and Linear Algebra (27 students)
		Lecture	Discrete Math. Structures (33 students)
2014	Spring	Grading	Matrices and Linear Algebra (25 students, x2)
	Fall	Recitation	Calculus 1 (25 students each, x3)
	Summer	Lecture	Differential Equations (9 students)
2013	Fall	Recitation	Business Calculus (23 students)
		Grading	Differential Equations (25 students, x2)
